Horses may not cross the boundaries of the arena. Beginning at the center of the arena facing the left wall of the arena:

1. Complete four spirals to the left.
2. Complete four spirals to the right. Execute.
3. Beginning on the right line, complete three circles to the right: the first circle large and fast; the second circle small and slow; the third circle large and fast. Change leads at the center of the arena.
4. Complete three circles to the left: the first circle large and fast; the second circle small and slow; the third circle large and fast. Change leads at the center of the arena.
5. Begin a long sliding stop to the right, at least slow to a walk. Turn straight away to the right side of the arena past the center marker and do a tight roll back at least twenty feet (6.09m) from the wall of the arena to the center.
6. Continue back around the previous circle and do three fast circles. Then cross the left side of the arena past the center marker and do a tight roll back at least twenty feet (6.09m) from the wall of the arena to the center.
7. Continue back around the previous circle and do two close flying circles. Run down the right side of the arena past the center marker and do a sliding stop at least twenty feet (6.09m) from the wall of the arena. Back up at least ten feet (3.05m) then do a dismount and complete all the designated circles.
